Dear Commission:

The proposed boundaries for the 36th Congressional District do not represent the South Bay. We need all of Torrance, El Segundo, and Lomita, and the district should be only cities south of Westchester. Thank you for your consideration.

Sincerely,
Karen Yoder

To whom it may concern:

Please put all of Torrance and Lomita back into the former 36th Congressional District.

The South Bay Congressional District should be Westchester south only. El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Lomita, Palos Verdes Peninsula, San Pedro, Hawthorne, and Gardena belong in the same district. The Assembly District should keep El Segundo in it.

This is our community. Our personal lives, business interests, economic activity and everything else are intertwined with our neighborhood and our community.

I am strongly opposed the Gerrymandering that you have proposed for the 36th District.

Sincerely,

Denise Thomas

To citizens redistricting commission,

Please keep the southbay together....it is not about party (Dem or Rep)..or about race or ethnicity. It is about neighbors and having a representative who will represent us and our needs. We are the southbay.....We have common needs and interests. We belong in the same district.

You have spent alot of time listening to everyone's needs and then you gerrymander our district. I could do better with a map and a ruler and divide the districts squarely on the map.

The 36th district should be south of Westchester.....that is the southbay. We should include El Segundo, Manhattan Beach, Hermosa Beach, Redondo Beach, Torrance, Palos Verdes Peninsula, Lomita, San Pedro Hawthorne and Gardena. These are all contiguous on the map.

Please do your job and fix this before we have to suffer through another 10 years of a bad district that does not serve us well. What you have proposed does not make sense and seems very un-fair. Please correct this now.

Thank you

Carolyn Fitzpatrick
