

Subject: Redistricting

To Whom it May Concern:

As residents of Westchester for the last 14 years, it is apparent to us that we share common interests with Play del Rey, Playa Vista and other beach cities as validated by the City of Los Angeles. Any attempt to incorporate Westchester into the District of Inglewood, Compton, Lennox, Gardena, South Central and West Anthens is obviously just a "Political Tactic". Our beach communities share unique interests and concerns, especially coastal and environmental issues. Therefore, it does not make any sense to separate us from the other beach communities. We do hope that the Commission will understand and keep our beach communities together.

Sincerely,

James and Cristina La Bianca
