Subject: Excel zip code lists

Message Body:

Hello. I was hoping someone could please send me a list of zip codes that fall into each of the newly redistricted Assembly, Senate and Congressional lines. If this list is available in an excel version that would be wonderful. I show access to the maps but I can not find access to the data cells in each district. Any help would be greatly appreciated. Thanks.

Subject: Communities State Redistricting Proposal

Dear Commissioners:

I am writing to request that the following communities be included in the same district:

Kagel Canyon - Lake View Terrace - Shadow Hills - La Tuna Canyon - Sunland-Tujunga - La Crescenta - Montrose - La Canada-Flintridge - Glendale - Burbank

Our communities share the same demographics and interests which include, but are not limited to:

**Historic Preservation - Environment - Protection of Open Space -
The Rim of the Valley - Angeles National Forest - San Gabriel Mountains - Verdugo Hills - Wildlife - Watershed - Hiking and Equestrian Trails - Income - Education - Housing - Transportation - Two Nearby Colleges -
The 210 Freeway for Our Economic and Transportation Corridor -
Medical - Shopping - Jobs - Entertainment**

The current boundary proposal has my community joined with the mid-Valley flatland area, an area my community has little in common with. It is important that the redistricting proposal be redrawn so that my community is joined with other communities that share our demographics and interests:

Kagel Canyon - Rural, Equestrian, Mountains; **Lake View Terrace** - Rural, Equestrian, Mountains and Hansen Dam Recreation Center; **Shadow Hills** - Rural, Equestrian, Mountains; **La Tuna Canyon** - Verdugo Hills, Rural, Equestrian; **Sunland-Tujunga, La Crescenta, Montrose, La Canada-Flintridge** - Rural, Equestrian, Suburban, Located Between Two Mountain Ranges (Verdugo Mountains and San Gabriel Mountains); **Glendale and Burbank** - Rural, Suburban and share the Verdugo Mountains, Shopping and Business

These communities have commonalities and interrelationships that are uniquely interwoven and linked in ways that make them indivisible and requires they be joined together in the same California State Voting District.

I respectfully request that you consider these long-established community relationships when redrawing the current districts.

Thank you for your consideration.

Sincerely,
