

**CONFLICT OF INTEREST CODE FOR THE  
CITIZENS REDISTRICTING COMMISSION**

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, that contains the terms of a standard conflict of interest code and may be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference and, together with the attached Appendices designating positions and establishing disclosure requirements, constitutes the conflict of interest code of the Citizen's Redistricting Commission (Commission).

Individuals holding designated positions shall file their statements with the Citizens Redistricting Commission, which will make the statements available for public inspection and reproduction. (Gov. Code Section 81008.) Upon receipt of the statements, the Commission shall make and retain a copy and forward the original of the statements to the Fair Political Practices Commission.
