

When choosing the leads for each region we might consider:

1. Lead 1 knows the region well because they have experience (work/learn/play/live) in the region
2. Lead 2 does not know the region at all or as well as Lead 1
3. Teams will be diverse political group, racially/ethnically, and professionally
4. Teams, if possible, will not serve on the same sub-committee
5. I will go last so feel free to choose Region 10
6. All have to be involved in at least one region, ideally two
