SECTION I - Introduction

As required by the Voters First Act and the Voters First Act for Congress (Collectively the “Voters First Act”), the Citizens Redistricting Commission (the “Commission”) is charged with the responsibility, in the year following the year in which the national census is taken under the direction of Congress at the beginning of each decade, to adjust the boundary lines of the Congressional, State Senate, Assembly, and Board of Equalization districts (also known as “Redistricting” or “Redistricting Activities”) in conformance with the standards and process set forth in Section 2 of Article XXI of the California Constitution.

SECTION II – Purpose of this Request for Information

The Commission is seeking Statements of Qualifications (“SOQ”) from attorneys, including law firms and other entities, to provide legal services to defend its four final certified voting district maps (Congressional, and State Senate, Assembly, and Board of Equalization) in the event of litigation. The California Supreme Court has original jurisdiction over any claims that are brought in state court; however, cases may also be brought in federal court.

The SOQ will be used by the Commission to select counsel for this purpose. An applicant may apply to provide such services, by responding to this Request for Information (“RFI”) in the manner described in Section III.

At the Commission’s discretion, it may decide to hire more than one attorney or law firm based on the Commission’s perceived needs, and the attorney or law firm must be willing to coordinate with other firms as needed. If the Commission chooses representation from more than one attorney or law firm, the order of subordination with regards to any coordinated effort shall be made solely by the Commission or its designee.

SECTION III – Submission Requirements, Due Date and Time

Statements of Qualifications must be received by 5:00 p.m. on Jan. 29, 2021.

If retained by the Commission, all attorneys will be expected, for the duration of the representation, to continue such disclosures, as well as to refrain from such activities for any candidate or officeholder in a jurisdiction under the Commission's purview.

The fact that a conflict is identified pursuant to this section is not an automatic disqualification, but is information the Commission will consider in the selection process.
