Recommendations for ***June 10*** COI Input Meeting
This is a statewide virtual COI Input meeting.

1. How long will each presenter be given to provide input?
Recommendation: 3 minutes
2. What is the time frame for the first meeting?
Recommendation: six hours of time for public input (7.5 hours meeting time)
3. Do we create an appointment sign-up platform?
Recommendation: Yes. The CRC team will put together a proposal/recommendation.
4. Language Access Recommendation for COI Input meetings: To be brought forward by the language access subcommittee.
5. **COI Input meeting Dry Run:**
May 25, 2021 (Time TBD)
 - CRC team, in collaboration with the line drawing team, aim to present a dry run of the COI Input meeting. The CRC and public will experience an end to end **DEMO** of what the first June 10th COI Input meeting will look like **AND** have an opportunity to recommend changes ahead of the first COI Input meeting, if need be.
 - This DEMO will allow two weeks & 2 days of time for the CRC team to make any adjustments to the process, if need be.
 - We have one public input design subcommittee meeting, one full CRC meeting, and one full CRC action-only meeting ahead of the June 10th COI input meeting to address any concerns/changes/recommendations/implementation considerations that arise from this dry run

Looking ahead: After the June 10th COI input meeting

There is a Public Input Design Subcommittee meeting scheduled for **June 14th to review the first COI Input meeting** and provide recommendations for changes (if needed) on the **June 16th full CRC meeting (action only- if needed)**, all ahead of the second COI Input meeting.
