

Bio: Caitrin Chappelle

Caitrin Chappelle is associate director at the [PPIC Water Policy Center](#), where she manages research and operations, and a research fellow at the Public Policy Institute of California. Her own research focuses on natural resource management and California water policy. She has co-authored work on the statewide drought, funding gaps in water management, and multiple ecosystem stressors in the Sacramento–San Joaquin Delta. Previously, she worked for the U.S. Geological Survey. She holds an MPP from the Goldman School of Public Policy at the University of California, Berkeley and a BS in ecology from California Polytechnic State University, San Luis Obispo.
