Subject: Re: Supplemental Information Submission

Ms. Keller:

Thanks for this helpful update on the process.

Having reviewed the report, I'd like to clarify that my membership in the Maryland bar has been switched to "active" status; as I mentioned earlier, the change in my status there is simply a clerical one. Second, I want to be sure to convey that I read the Commission's earlier request for information about prior donations in the RFQ to be limited to matters in California. My apologies for any misunderstanding.

I am happy to disclose my prior donations outside of California that include the two presidential campaigns you have noted, a donation to Congressman Bennie Thompson (which you also note), and two additional donations to candidates for U.S. Senate (Mike Espy in Mississippi in 2020 and Deborah Ross of North Carolina in 2016).

Please let me know if I can answer any other questions. I look forward to speaking with Commissioners next week.

Sincerely,

Kareem Crayton
