**Re: Disclosure of Additional Political Contributions – Jon Holtzman**

Dear Tina M. Keller:

Thank you for sharing the Citizens Redistricting Commission's Conflict Report. In accordance with the Commission's Request for Information, we had only included political contributions in excess of \$2,500 in our initial disclosure. However, as the Commission has provided information on all political contributions, and some of our contributions below \$2,500 were not listed in your Conflict Report, we wanted to make sure our disclosure is complete. In the interest of transparency, I am hereby disclosing additional political contributions that I have made in the last ten years:
