Re: Disclosure of Additional Political Contributions

Dear Tina M. Keller:

Thank you for sharing the Citizens Redistricting Commission's Conflict Report. In accordance with the Commission's Request for Information, we had only included political contributions in excess of \$2,500 in our initial disclosure. However, as the Commission has provided information on all political contributions, and some of our contributions below \$2,500 were not listed in your Conflict Report, we wanted to make sure our disclosure is complete. In the interest of transparency, we are hereby disclosing additional political contributions made by Senior Associate Ryan McGinley-Stempel, who we have proposed for the project writs, appeals & litigation proceedings team:
