Commissioner Toledo:

I've pasted below the standard 2021 rates for the Gibson Dunn attorneys on our proposed team. Please note that, as we mentioned in the RFI response, we would be happy to discuss an alternate fee arrangement, such as a flat fee for each meeting we attend, or for specific tasks, like preparing a preliminary opposition to a writ petition in the California Supreme Court. But we would need to discuss that with you to get a better sense of what role you envision us playing, and would then need to secure management-level approval for any alternate fee arrangements. Please let me know if you have questions. Thank you.
