Your input is vital to the success of the Commission. As we wait for the census data to start drawing new electoral maps, we need your Communities of Interest information to respect the boundaries of your communities during the redistricting process. While there are no clear rules on how to define a community of interest, we've identified ways for you to describe your community. Only Communities of Interest testimony will be accepted during this meeting.

DURING THE MEETING YOU WILL BE ASKED TO DESCRIBE YOUR COMMUNITY.

- **Mention the street names and significant locations in your neighborhood to help us identify the parameters of your community.**
- What are your shared interests?
- What brings you together?
- What is important to your community?
- Are there nearby areas you want to be in a district with?
- Nearby areas you don't want to be in a district with? Why or why not?
- Has your community come together to advocate for important services, better schools, roads, or health centers in your neighborhood?
