- (1) Interpretation and application of laws, court decisions and other authorities

- (3) Assembly and evaluation of evidence
- (4) Securing and interviewing witnesses
- (5) Attendance at hearings
- (6) Performing a wide variety of legal research
- (7) Providing advice or opinions on legal issues and legal effect of rules, regulations, proposed legislation, statutory law, court decisions, and administrative actions
- (8) Participating in negotiations

C. The Contractor shall maintain résumés, duty statements and/or the descriptions for all staff paid through this Agreement. If requested by CRC, Contractor shall provide CRC with copies of résumés, duty statements and/or job descriptions.

D. CRC reserves the right to approve, in advance, the Contractor's legal staff prior to being assigned to this case and to deny the continuing assignment of any of the Contractor's staff performing services under this Agreement. If any staff of the Contractor is unable to perform due to illness, resignation or other factors beyond the Contractor's control, the Contractor shall immediately provide substitute personnel who are capable of providing services as described in this Agreement. The Commission's Chief Counsel will be assigned to this project and, along with other key Commission personnel, will be working with the Contractor as active participants to provide project continuity at the operating level. This assignment is to foster support for the project and enhance its chances for success.

E. Litigation Counsel will designate a senior attorney to have primary responsibility for each case on which legal services are requested. The case should be staffed effectively and economically. The designated senior attorney will be an attorney on staff in the law firm who has the requisite level of expertise to effectively manage the lawsuit. Depending upon the nature of the litigation, the senior attorney may be an associate, partner or senior partner. The

assignment of the senior attorney to a matter requires prior discussion and agreement by the Commission's Legal Affairs Committee or the Chief Counsel.

F. Litigation Counsel will strike a balance between the efficiency a more experienced lawyer at the firm brings to a given task and the advantages of having the task performed by a junior lawyer or a paralegal. Litigation Counsel will avoid a duplication of effort within the firm. The assignment of multiple partners or associates on a case requires prior discussion and agreement by the Commission's Legal Affairs Committee or Chief Counsel. To achieve the best efficiency and value, the roles and responsibilities of the law firm staff members should be clearly defined and appropriate to each individual's qualifications, level of experience, and billing rate. Litigation Counsel will delegate work to subordinates wherever possible to achieve efficiency and cost-effectiveness without compromising quality. Litigation Counsel will confer with the Commission's Legal Affairs Committee or Chief Counsel with respect to the roles and responsibilities of the proposed members of the defense team before that selection is finalized.

G. The Commission encourages and prefers the use of email as an alternative to the use of mail, fax, or other delivery services. Overnight mail, couriers, and other means of express mail delivery are to be avoided unless necessary and required.

H. The Contractor shall report in writing any resignation or dismissal of key personnel (if any) who are an essential part of the successful operation of this Agreement. This Agreement may be immediately terminated by CRC if CRC determines, at its sole discretion, that the Contractor's loss of key personnel will result in the Contractor's inability to meet its obligations under this Agreement.

4. Subcontractors

For all Agreements, with the exception of Interagency Agreements and other governmental entities/auxiliaries that are exempt from bidding, nothing contained in this Agreement, or otherwise, shall create any contractual relation between CRC and any subcontractors, and no subcontract shall relieve the Contractor of Contractor's responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to CRC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from CRC's obligation to make payments to the Contractor. As a result, CRC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

b. CRC shall reimburse the Contractor for its actual out-of-pocket expenses directly related to the performance of this Agreement as described below in Paragraphs 1.b.1. and 1.b.2. The Contractor shall not charge CRC the cost of advancing funds for these expenses. All reimbursable expenses shall be supported by documentation at the time of billing. As a condition precedent to Contractor's right to institute and pursue litigation or other legally available dispute resolution process, if any, Contractor agrees that all disputes and/or claims of Contractor arising under or related to the Agreement shall be resolved pursuant to the following processes. Contractor's failure to comply with said dispute resolution procedures shall constitute a failure to exhaust administrative remedies.

Pending the final resolution of any such disputes and/or claims, Contractor agrees to diligently proceed with the performance of the Agreement, including the delivering of goods or providing of services. Contractor's failure to diligently proceed shall constitute a material breach of the Agreement.

The Agreement shall be interpreted, administered, and enforced according to the laws of the State of California. The parties agree that any suit brought hereunder shall have venue in Sacramento, California, the parties hereby waiving any claim or defense that such venue is not convenient or proper.

a. Final Payment

The acceptance by Contractor of final payment shall release the California Redistricting Commission (CRC) from all claims, demands and liability to Contractor for everything done or furnished in connection with this work and from every act and neglect of CRC and others relating to or arising out of this work except for any claim previously accepted and/or in process of resolution.

b. Informal Appeal

Contractor and the program or institution contract liaison, or other designated CRC employee of the unit for which the goods are being delivered or the service is being performed, shall first attempt in good faith to resolve the dispute or claim by informal discussion(s). Contractor shall identify the issues and the relief sought. Informal discussion(s) between Contractor and contract liaison, or the designated CRC employee, shall be written, dated, and signed by the authors.

The program or institution contract liaison shall issue an informal written statement to Contractor regarding the dispute within thirty (30) calendar days following settlement or an impasse in the informal discussion(s) process. The written statement shall either: (1) document the dispute settlement and what, if any, conditions were reached; or, (2) document the reason(s) the dispute could not be resolved informally and provide notification to Contractor of its option to file a formal appeal within thirty (30) days of the informal statement. One (1) copy of the informal statement and the discussion(s) on which it is based shall be forwarded immediately to the Business Services Division for inclusion in the Agreement file.

c. Formal Appeal

If the dispute or claim is not resolved to Contractor's satisfaction by the informal appeal process, Contractor may file with the Executive Director, CRC, and a formal written appeal within thirty (30) calendar days of the date of CRC's informal written decision. The formal written appeal shall be addressed as follows:

(SUBJECT)

Executive Director
California Redistricting Commission
721 Capitol Mall, Suite 260
Sacramento, CA 95814

Contractor shall specify in the formal written appeal the issue(s) in dispute, the particular relief or remedy sought, the factual basis for Contractor's claim or dispute, and Contractor's legal, technical and/or other authority upon which Contractor bases its claim or dispute.

The formal written appeal shall include a written certification signed by a knowledgeable company official under the penalty of perjury according to the laws of the State of California pursuant to California Code of Civil Procedure Section 2015.5 that the dispute, claim, or demand is made in good faith, and that the supporting data are accurate and complete. If an Agreement adjustment is requested, the written certification shall further state under penalty of perjury that the relief requested accurately reflects the Agreement adjustment for which the CRC is responsible.

If Contractor is a corporation, the written certification shall be signed by an officer thereof. If Contractor is a sole proprietorship or partnership, it shall be signed by an owner or full partner. If Contractor is other than a corporation, sole proprietorship or partnership, it shall be signed by a principal of the company with authority to bind the company.

The Executive Director, CRC, shall issue a formal written decision on behalf of CRC within thirty (30) calendar days of receipt of the properly addressed formal written appeal. If mutually agreed by the parties, the date for the issuance of CRC's final written decision may be extended.

d. Further Resolution

If the dispute is not resolved by the formal appeal process to Contractor's satisfaction, or Contractor has not received a written decision from the Executive Director, CRC, after thirty (30) calendar days, or other mutually agreed extension, Contractor may thereafter pursue its right to institute other dispute resolution process, if any, available under the laws of the State of California.

2. Right to Terminate (Supersedes provision number 7, Termination for Cause, of Exhibit C)

The CRC reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the Contractor. Contractor may submit a written request to terminate this Agreement only if the State should substantially fail to perform its responsibilities as provided herein.

Additionally, the CRC reserves the right to terminate this Agreement subject to thirty (30) calendar days written notice to the Contractor should it be later identified as a service which can be consolidated into a statewide/regionalized Agreement. The CRC may exercise its option to cancel the remaining years of this Agreement, should it be decided that with additional institutions and/or sites, the CRC would receive a better rate for the same service.

However, the State can immediately terminate this Agreement for cause. The term “for cause” shall mean that the Contractor fails to meet the terms, conditions, and/or responsibilities of the Agreement. In this instance, the Agreement termination shall be effective as of the date indicated on the CRC’s notification to the Contractor.

This Agreement may be suspended or cancelled without notice, at the option of the Contractor, if the Contractor or CRC’s premises or equipment are destroyed by fire or other catastrophe, or so substantially damaged that it is impractical to continue service, or in the event the Contractor is unable to render service as a result of any action by any governmental authority.

3. Contract Suspension

Notwithstanding any other provisions of this Agreement, pursuant to a Governor’s Executive Order or equivalent directive, such as a court order or an order from a federal or state regulatory agency, mandating the suspension of state contracts, the State may issue a Suspension of Work Notice (Notice) which may negatively impact the CRC. The Notice shall identify the specific Executive Order or directive and the Agreement number(s) subject to suspension. Unless specifically stated otherwise, all performance under the Agreement(s) must stop immediately upon receipt of the Notice. During the period of contract suspension, Contractor is not entitled to any payment for the suspended work. Once the order suspending state contracts has been lifted, a formal letter from the CRC will be issued to the Contractor to resume work.

4. Responsibility Hearing

If this Agreement is terminated for cause, the CRC reserves the right to conduct a responsibility hearing to determine if the Contractor is a responsible bidder prior to awarding any future Agreements.

5. Confidentiality of Data

All financial, statistical, personal, technical and other data and information relating to CRC's operation, which are designated confidential by the CRC and made available to carry out this Agreement, or which become available to the Contractor in order to carry out this Agreement, shall be protected by the Contractor from unauthorized use and disclosure.

If the methods and procedures employed by the Contractor for the protection of the Contractor's data and information are deemed by the State to be adequate for the protection of the State's confidential information, such methods and procedures may be used with the written consent of the State. The Contractor shall not be required under the provisions of this paragraph to keep confidential any data already rightfully in the Contractor's possession that is independently developed by the Contractor outside the scope of the Agreement or is rightfully obtained from third parties.

No reports, information, inventions, improvements, discoveries, or data obtained, repaired, assembled, or developed by the Contractor pursuant to this Agreement shall be released, published, or made available to any person (except to the State) in violation of any state or federal law. Contractor by acceptance of this Agreement is subject to all the requirements of California Government Code Section 11019.9 and California Civil Code Sections 1798, et seq., regarding the collection, maintenance, and disclosure of individual personal and confidential information.

6. Liability for Loss and Damages

Any damages by the Contractor to the State's facility including equipment, furniture, materials or other State property, will be repaired or replaced by the Contractor to the satisfaction of the State at no cost to the State. The State may, at its option, repair any such damage and deduct the cost thereof from any sum due Contractor, via the CRC, under this Agreement.

8. Accounting Principles

The Contractor will adhere to generally accepted accounting principles as outlined by the American Institute of Certified Public Accountants. Dual compensation is not allowed; a Contractor cannot receive simultaneous compensation from two or more funding sources for the same services performed even though both funding sources could benefit.

9. Liability for Nonconforming Work

All work provided by the Contractor shall conform to the latest requirement of federal, state, city and county regulations. Contractor is responsible for compliance with all applicable laws, codes, rules and regulations in connection with work performed under this Agreement. The Contractor will be fully responsible for ensuring that the completed work conforms to the agreed upon terms. If nonconformity is discovered prior to the Contractor's deadline, the Contractor will be given a reasonable opportunity to cure the nonconformity. If the nonconformity is discovered after the deadline for the completion of the project, CRC, in its sole discretion, may use any reasonable means to cure the nonconformity. The Contractor shall be responsible for reimbursing CRC for any additional expenses incurred to cure such defects.

10. Subcontractor/Consultant Information

Contractor is required to identify all subcontractors and consultants who will perform labor or render services in the performance of this Agreement. Additionally, the Contractor shall notify CRC, Contracts Division in writing within ten (10) working days of any changes to the subcontractor and/or consultant information.

The Contractor acknowledges that any violation of Chapter 2 or any other chaptered provision of the Public Contract Code (PCC) is subject to the remedies and penalties contained in PCC Sections 10420 through 10425.

12. Temporary Nonperformance

If, because of mechanical failure or for any other reason, the Contractor shall be temporarily unable to perform the work as required, the CRC, during the period of the Contractor's inability to perform, reserves the right to accomplish the work by other means and shall be reimbursed by the Contractor for any additional costs above the Agreement price.

13. Extension of Term

If it is determined to be in the best interest of the CRC, this Agreement may be amended to extend the term. Upon signing the amendment, the Contractor hereby agrees to provide services for the extended period at the rates specified in the original Agreement.

The Contractor certifies that it complies with the requirements of the Electronic Waste Recycling Act of 2003, Chapter 8.5, Part 3 of Division 30, commencing with Section 42460 of the Public Resources Code, relating to hazardous and solid waste. Contractor shall maintain documentation and provide reasonable access to its records and documents that evidence compliance.

15. Tax

The State of California and Contractor will each bear their own respective federal, state and local tax liabilities arising from this Agreement. It is expressly understood that neither the State nor the Contractor will assign, shift, pass on or otherwise assume the tax liabilities of the other party.

16. Licenses and Permits

The Contractor shall be an individual or firm licensed to do business in California and shall obtain at Contractor's expense all license(s) and permit(s) required by law for accomplishing any work required in connection with this Agreement.

In the event any license(s) and/or permit(s) expire at any time during the term of this Agreement, Contractor agrees to provide CRC with a copy of the renewed license(s) and/or permit(s) within thirty (30) days following the expiration date. In the event the Contractor fails to keep in effect at all times all required license(s) and permit(s), the CRC may, in addition to any other remedies it may have, terminate this Agreement upon occurrence of such event.

17. Permits and Certifications from State Board of Equalization

This solicitation and any resulting Agreement shall be subject to all requirements as set forth in Sections 6487, 7101 and Sections 6452.1, 6487.3, 18510 of the Revenue and Taxation Code, and Section 10295.1 of the Public Contract Code requiring suppliers to provide a copy of their reseller's permit or certification of registration and, if applicable, the permit or certification of all participating affiliates, issued by California's State Board of Equalization. Failure of the supplier to comply by supplying the required permit or certification will cause the supplier's bid response to be considered non-responsive and their bid rejected. Unless otherwise specified in this solicitation, a copy of the reseller's permit or certification of registration must be supplied within five (5) State business days of the request made by the CRC.

18. Darfur Contracting Act

Effective January 1, 2009, CRC generally cannot contract with "scrutinized" companies that do business in the African nation of Sudan, as described in Public Contract Code Sections 10475-10478. A company that currently has (or within the previous three years has had) business activities or other operations outside of the United States must certify that it is not a "scrutinized"

company when it submits a bid or proposal to CRC. A scrutinized company may still submit a bid or proposal for a contract with CRC if the company first obtains permission from the DGS.

19. Conflict of Interest

The Contractor and their employees shall abide by the provisions of Government Code (GC) Sections 1090, 81000 et seq., 82000 et seq., 87100 et seq., and 87300 et seq., Public Contract Code (PCC) Sections 10335 et seq. and 10410 et seq., California Code of Regulations (CCR), Title 2, Section 18700 et seq. and Title 15, Section 3409, and the Department Operations Manual (DOM) Section 31100 et seq. regarding conflicts of interest.
