## Draft Map Feedback Meeting Proposal

**Proposed Motion:** Approve draft map feedback meeting proposal with proposed edits.

### Goal and Structure:

The goal of the draft map feedback meetings is to gather feedback on the first draft maps displayed by the 2020 CRC. The CRC will gather this feedback to further inform any changes to the draft maps. These meetings could be held in a similar manner to COI Input Meetings and can be conducted virtually. There will also be other avenues for the public to provide feedback to the commission: email, letter, web form, SWDB Mapping Tools and general public comment as well.

### Suggested number of meetings: 4

*Since there are many other ways to provide feedback on the draft maps directly to the Commission, and considering competing tasks for the CRC and the CRC staff, suggest that the CRC hold **four** public draft feedback meetings.*

### Dates:

**November 16, 2021: Congressional Draft Map Feedback Meeting**

Chair: \_\_\_\_\_ Vice-Chair: \_\_\_\_\_

**November 17, 2021: Assembly Draft Map Feedback Meeting**

Chair: \_\_\_\_\_ Vice-Chair: \_\_\_\_\_

**November 18, 2021: Senate Draft Map Feedback Meeting**

Chair: \_\_\_\_\_ Vice-Chair: \_\_\_\_\_

**November 19, 2021: Appointment Session I: BOE Draft Map Feedback  
Appointment Session II: Any District**

Chair: \_\_\_\_\_ Vice-Chair: \_\_\_\_\_

*Draft map feedback dates are suggested based on the target draft completion date of November 10, 2021.*

### Duration: 3:00pm - 7:00pm

*-With the ability to go until 8 if there are callers in queue*

*Sample Schedule:*

3:00 - 3:10pm	Intro
3:10 - 4:30pm	Appointment Session I (80 min) ( <i>open phone lines if appointments finish early</i> )
4:30 - 4:45 pm	Break
4:45 - 6:15 pm	Appointment Session II (90 min) ( <i>open phone lines if appointments finish early</i> )
6:15 - 6:30 pm	Break
6:30 - 7:00 pm	Public Comment/ Public Input

**Public Input Time Frame per speaker: 5 minutes**

*The justification to allow a greater period of time for public input on maps is in the circumstance that one speaker may have comments on multiple draft maps. Theoretically this would take more time.*

**Location: Virtually on Zoom for Commissioners & the Public**

*To keep these meetings consistent with COI input meetings, the subcommittee recommends holding these meetings virtually. CRC will not be making decisions during the meetings but rather collecting feedback*

**Proposed Roles**

Role of Commissioners:

- To listen to feedback on draft maps

Role of CRC staff:

- Coordinate appointment system (similar to the COI meetings)  
*Appointment signups open up when draft maps are posted.  
Individuals are limited to one appointment per meeting*
- Coordinate Interpretation requests (similar to the COI meetings)  
*Requests must be made 5 business days in advance*
- Notetaking of feedback

Role of line drawers:

- Display draft district maps for public feedback sessions (similar to the format of the COI input meetings)

### **Proposed Draft Map Feedback Meeting Agenda**

1. Call to Order, Establishment of Quorum, and General Announcements
2. Welcome and Opening Remarks
  - a. Draft map public feedback sessions
3. Public Comment/Public Comment for Items Not on the Agenda/ Discussion of future meeting dates & agenda items.
