AMENDED IN ASSEMBLY APRIL 19, 2022

CALIFORNIA LEGISLATURE— 2021–2022 REGULAR SESSION

ASSEMBLY BILL

NO. 1848

Introduced by Assembly Member Bryan

February 08, 2022

An act to amend ~~Section~~ *Sections* 21001 *and* 21003 of the Elections Code, relating to elections.

LEGISLATIVE COUNSEL'S DIGEST

AB 1848, as amended, Bryan. ~~Redistricting: copies of district maps.~~ *Redistricting.*

~~The~~

(1) The California Constitution requires the Citizens Redistricting Commission to draw district lines for the election of Members of the State Senate, Assembly, Congress, and the State Board of Equalization. The commission is required to approve final maps and certify them to the Secretary of State by August 15 in each year ending in the number one.

Existing law requires the Secretary of State to provide each Member of the Senate, Assembly, and the State Board of Equalization, and each Member of Congress from California, with one copy of a map of the Member's district.

This bill would require the Secretary of State to provide those copies upon receipt of certified final maps from the Citizens Redistricting Commission. *The bill would also require the Secretary of State to provide the maps to county elections officials.*

(2) Existing law requires the Department of Corrections and Rehabilitation to furnish to the Legislature and the Citizens Redistricting Commission certain information regarding each inmate incarcerated in a state correctional facility on the decennial Census Day, including the residential address at which the inmate was domiciled before the inmate's current term of incarceration. Under the existing law, the Legislature requests the Citizens Redistricting Commission to deem each incarcerated person as residing at that person's last known place of residence rather than at the institution of that person's incarceration.

This bill would instead require the commission to deem each incarcerated person as residing at that person's last known place of residence.

(1) Deem an inmate incarcerated in a state correctional facility for whom the last known place of residence is either outside California or cannot be determined, or an inmate in federal custody in a facility within California, to reside at an unknown geographical location in the state and exclude the inmate from the population count for any district, ward, or precinct.

(2) Adjust race and ethnicity data in districts, wards, and precincts that contain prisons in a manner that reflects reductions in the local population as inmates are included in the population count of the district, ward, or precinct of their last known place of residence and, to the extent practicable, those deemed to reside at an unknown geographic location.
