

CALIFORNIA SUPREME COURT RULES IN FAVOR OF CALIFORNIA CITIZENS REDISTRICTING COMMISSION

"The Commission is grateful that the Supreme Court swiftly denied the petition and rejected the allegation that the Commission has not conducted itself in full compliance with the law.

All fourteen members of the California Citizens Redistricting Commission remain fully committed to completing their assigned tasks with transparency, integrity, and maximum opportunities for public input, in a shared spirit of service to the people of California.

We invite all those who are interested in the redistricting process to visit our website for a wealth of information on our work and for links to our remaining live meetings."

--J. Ray Kennedy, Commission Chair
