Subject: I would like to cancel ballot measure prop 19

Dear comission members I would liketo put in the ballot a cancel prop 19 it will make life easier fir me and my family

My Daddy passed 9 year ago and my Mom lives with my diasabled brother in my family home

When my Mom passes it will make my brother homeless cause there is no way he can live in Los Angeles on 1400 a month six Dis check and eat pay utilities

I cannot afford to live there either I cannot sell the home because my Daddy's last words were to take care of my mom and save their home

The taxes will be unaffordable due to prop 19

Please let me know my message is heard and reply ASAP

Respectfully yours
