Public Input Meeting Design Subcommittee

Information taken from 2020 CRC RFP for Line Drawing Services, Proposal of HaystaqDNA & Q2 Data & Research, and contract. For discussion purposes only.

Note: This is only for work involving Line Drawer. This is NOT all CRC Public Input Meetings or all CRC Commission Meetings.

Contract meeting numbers were based on 2010 work plan with some modifications. No consideration of an extended time delay due to further census data delay was included.
